Information for Our Customers

You can purchase from Slaybaugh Bros. Nursery with full assurance that each item will be as represented of the very finest quality, accurately graded and full of vitality.

Trees are Budded from Young Hardy Bearing Orchards of Superior Strains.

Our trees have strong, spreading and fibrous roots which give the tree a quick start and a strong growth.

Send us your planting List for Special Wholesale Commercial Growers' prices on commercial quantities.

Please note the limited space did not permit the listing of many varieties of all types of fruits.

DISEASE FREE STOCK

All nursery stock has been officially inspected by the "Bureau of Plant Industry" from the Pennsylvania State Department of Agriculture. A certificate will accompany each shipment.

STATEMENT OF INSPECTION FOR TRUENESS-TO-NAME

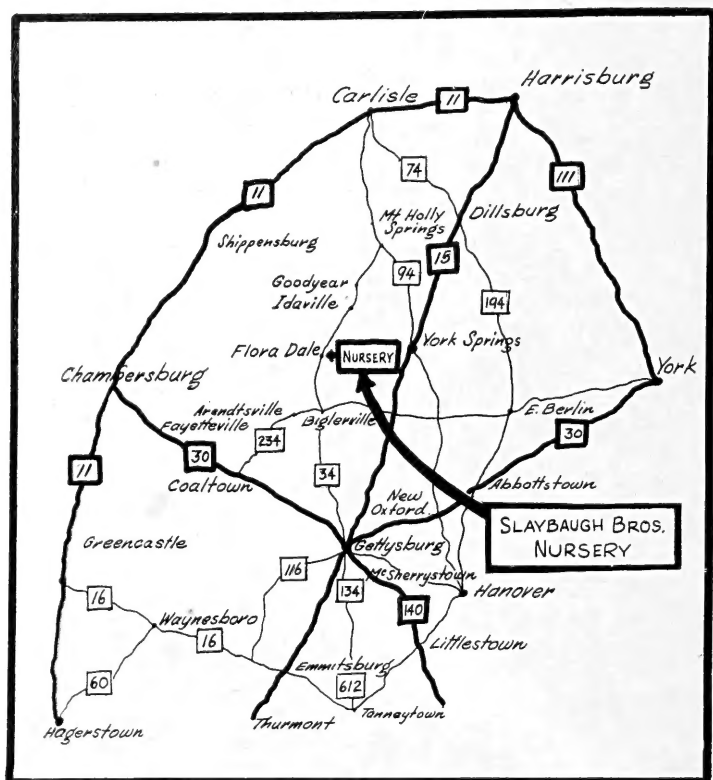

Amherst, Mass., July 28, 1953

To Whom It May Concern:

All salable apple, pear, plum, and sweet cherry varieties propagated and now growing at Slaybaugh Brothers' Nursery, Aspers, Pennsylvania, have been examined by the Massachusetts Trueness-to-Name Inspection Service. To the best of our knowledge, these trees are true to name as they now stand in the nursery row.
